The Reflections Of Grace Foundation was formed in memory of Grace Elizabeth Ekis, who was just five years old when she lost her courageous 13-month battle with a rare cancerous brain tumor in February 2008. Grace's cancer -- diffuse intrinsic pontine glioma (DIPG) -- is a tumor of the brainstem for which there is no known cure. This form of cancer strikes primarily young children, with an outcome that is virtually always terminal. Despite the gravity of this prognosis, there have been no advances in treatment options for more than thirty years. We want to change that.

As its mission, the Reflections Of Grace Foundation is dedicated to:

• Providing financial, emotional, and educational support for children and their families affected by pediatric brain cancer

• Raising awareness of all types of pediatric brain tumors, with a particular focus on DIPGs.

• Joining with other like-minded organizations in educating, aiding and funding the search for a cure for DIPG and other forms of pediatric brain cancer, in the hope of curing all cancers.

You or your company can play a part in supporting this mission by becoming a sponsor of this year's Golf For Grace event. Please review the various sponsorship levels and their associated benefits. If you are interested in contributing at any level, please complete and return the sponsorship form as soon as possible.

If you have any questions regarding the golf outing or your sponsorship, please email *golf@reflectionsofgrace.org*. To learn more about the Reflections Of Grace Foundation, visit our website at *www.reflectionsofgrace.org*.
